

**AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

**LISTING OF CLAIMS:**

1. (currently amended): A card holding structure comprising:  
a card insertion port provided in a battery holding concave portion of an internal housing;  
a slope which is provided near said card insertion port to guide the insertion of a card into said internal housing; and  
a card connector for holding said card, wherein an end of said slope is positioned as a stopper.
2. (original): The card holding structure according to claim 1, wherein said internal housing is provided with a holding rib for inserting said card to a predetermined position.
3. (canceled).
4. (previously presented): The card holding structure according to claim 1 or 2, wherein said internal housing which covers said card connector has an opening.
5. (original): The card holding structure according to claim 4, wherein said opening is located near said card in said internal housing.

AMENDMENT UNDER 37 C.F.R. § 1.111  
Application No. 10/671,667

6-7. (canceled).

8. (currently amended): The card holding structure according to claim [[3]]1,  
wherein said internal housing which covers said card connector has an opening.
